From (Name) G.W.Wells, Esquire, M.A., I.C.S.,
(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,
Law (General) Department.
Madras.

Sir,

Mad

In the above G.O., the Government have directed that copies of decrees to parties should be furnished on plain paper. The form on which the decree has to be written has been standardised. The number of the form is R.F.IX.23. A sample form in Kanarese is enclosed. Since these Courts have no clerical staff and have to depend on village Karnams for scriptory work, the standard form could be used for grant of copies, as it will save time and labour. I beg to enquire, therefore, whether there is any objection to the use of the printed forms for giving copies.

2. In this connexion I suggest that the present form may be reduced to half its size, as the space available for writing the requisite particulars is much greater than is -- usually required.

Your obedient servant,

for Collector.
